Hardware & Construction

Base Door Colors

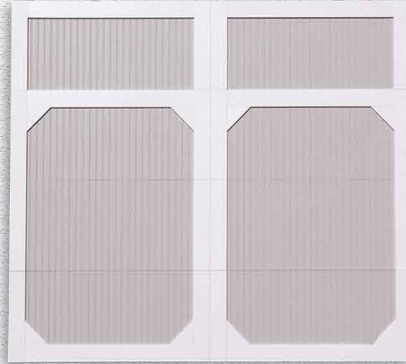

* Window frames and designs come in white on almond, sandtone and desert tan doors unless otherwise specified.

Overlay Color

Presidential Premium Option

- Presidential Premium provides a completely vinyl covered surface.
- Vertical tongue and groove vinyl boards are applied over the steel surface.
- Design trim boards are applied over the vertical boards in any of the designs described in this brochure.
- Presidential Premium is available in white only.

*Above door is painted gray to highlight the vertical boards. Actual product is only available in white.

Details

- Base door and overlay material are woodgrain textured.
- 18 designs available
- Overlay color is available in white only.
- Presidential Series doors are available up to 10' in height. Windows are available in most heights; however, doors over 8' may be more aesthetically pleasing without windows. Customized sizes over 10' are available. Please consult your dealer for details.
- 5 window designs available.
- The Presidential Series base and overlays can be painted. Safe-Way specifies Sherwin-Williams® VinylSafe™ paint colors only (available in Sherwin-Williams Duration® Exterior Coating or SuperPaint® Exterior Paint). Failure to use this paint will void the product warranty.
