Carriage Knocker Kit

\* 4 steel strap hinges and 2 steel handles provided. Additional items are optional.

- Additional hardware options are available for the Plateau. Consult your dealer for details.

## RIDGE PRODUCT DETAILS

- Available in nine designs with six distinct window options.
- Constructed of stain grade cedar.
- Available in multiple sizes. Consult your dealer for details.

## PLATEAU PRODUCT DETAILS

- Plateau is customized to your specifications. Provide your dealer with the wood species, size and design you desire, and Safe-Way will create the product you desire.
- Lead times for the Plateau may fluctuate based on the wood species and design requested.

## WOOD PRODUCT FINISHING & CARE

The Ridge and Plateau must be finished on all six sides per the directions included in your installation instructions. Failure to comply will void the warranty. Maintaining a wood door is very important. Review the maintenance information included in your installation instructions.

## CONSTRUCTION

Both Ridge and Plateau use a 1-1/4" insulated wood flush door as a base. R-Value 6.

*Plateau construction specifications may vary depending on the design requested.*
